Dear Mr. Mason,

Please allow this letter to serve as confirmation that your deposit for Group Tickets for the 2007-2008 Season has been received. When the schedule is released, you will get a call from me and we will see which date fits best for you for the Getting African-American Males Educated (G.A.M.E.) event.

We are very much looking forward to having the G.A.M.E. organization out for the first time here at Quicken Loans Arena. We are excited to begin what looks to be a long relationship of working together to provide the opportunity for many young African American students to apply and further their education. We will provide space here at The Q, a recognition ceremony before the start of the game, and some speakers from our front office staff.

We very much appreciate your interest in working with the Cleveland Cavaliers, and I look forward to speaking with you in the near future to get everything finalized!

Regards,

Paul Bee
