Dear Mr. Mason,

We have received your deposit for your group event for the upcoming 2007-2008 Denver Nuggets season! We are anticipating the NBA schedule to be released any day now, and when that happens we can select a date for the Getting African-American Males Educated (G.A.M.E.) event.

Thank you for deciding to bring your G.A.M.E. Initiative to the Pepsi Center. We are happy to be part of your mission to promote higher education to the youth of the Denver Community.

Thanks again for your interest in our organization and I look forward to working with your organization.

Regards,

Matt Tabone
